

## THE PEOPLE MOVING!

From the Miltonian.

### EIGHT THOUSAND WHIGS ASSEMBLED AT THE FORKS OF THE SUSQUEHANNA!

The whig mass meeting at the Forks of the Susquehanna on Tuesday last was decidedly the most glorious in point of numbers, brilliancy and enthusiasm ever convened in Northern Pennsylvania, entirely eclipsing everything in the shape of a political meeting ever before attempted to be got up in the district by either party. Never before was there such an immense mass of people congregated together in this section of the State—never such a magnificent display—never such intense, unbounded enthusiasm—and never was any occasion, of a similar character, graced by such a vast and dazzling throng of female loveliness. It was a grand display of living and intelligent masses of men, such as is of very rare occurrence, and must be seen to be properly appreciated. We estimated the number in attendance at 8,000—exclusive of the ladies, of which there were at least 1,500—others put it at 10,000. Suffice it to say, however, that "the houses were full, the streets were full, the meeting was full, and every man's heart was full to overflowing," with patriotism and zeal for the cause of CLAY, MARBLE, POLLOCK, THE TARIFF, AND THE UNION. The streets were magnificently decorated with flags, balls, wreaths of evergreen, &c., and from the windows and doors of almost every whig house were suspended banners and beautiful wreaths.

N. Middlesworth, Esq., of Union, presided, with a number of Vice Presidents.

The Hon. James Pollock was unanimously nominated for Congress.

The speakers were John Adams Fisher, of Harrisburg, Hon. James Cooper, of Adams county, and R. T. Conrad, of Philadelphia.

### NEW YORK.

[From the Correspondence of Buffalo Com. Advertiser, Fredonia, Sept. 12, P. M.]

Sir: Our public square is filled at this moment by a dense throng, listening to the thrilling eloquence of Cassius M. Clay, of Kentucky. But twenty-four hours notice of his coming among us could be given; but before the hour arrived, the people came pouring in from the shores of the Lake, the hills of Arkwright and Villenova, the valley of Casadaga and the heights of Chautauque, with banners and songs floating on the breeze. There are probably not less than four or five thousand present, including a fair representation of ladies. What a contrast to the miserable plight in which the Lokies left this place this morning to attend their mass meeting at Lodi—a hired band of musicians in an old lumber wagon, followed by one single buggy, in which sat two solitary Lokies.

I have no room for more, as I expect the stage every moment. The air is resounding with the shouts of our Whig friends. Yours, &c.

### ALLEGANY IN MOTION.

Correspondence of the Baltimore American.

CUMBERLAND, Md., Sept. 17th, 1844.

Messrs. Editors: Our Mass Meeting, which came off in this place to-day, was the largest ever held in the county. It has been a proud day for old Allegany, and her Whig enthusiasm rivals even her surrounding mountains in height. Delegations both from the Keystone and Old Dominion were present, and a Mechanical Procession, which was gotten up with much taste, added great interest to the occasion. Of the banners I cannot speak in detail, but in the delegation from Frostburg, were twenty-six ladies in full dress, seated in a car, each holding a flag bearing the name of a State. In the Cumberland delegation there was a similar company, all casting their sweet smiles upon our cause. A most excellent band of music from your city was present, and also one from Martinsburg, Virginia. Vast numbers of persons came to town last evening, and the crowd was addressed in the public square by M. T. Evans and J. P. Roman, Esqs.—and to-day the meeting was addressed by the Hon. Andrew Stewart and Mr. Ogle, of Pennsylvania, and Wm. Price and Thomas J. McKaig, Esqs., the candidates for the Legislature. The Whigs here are in fine spirits, and our delegate ticket, with Price and McKaig at its head, can't be beat.

### A WHIG.

SANDS'S SARSAPARILLA.—The following certificate, recently received, was addressed to our agent in Madison, Ga. The patient was greatly afflicted with Scrofula and Mercurial sores; had tried various remedies without any benefit, and the afflicted are now invited to read what he says in reference to Sands's SARSAPARILLA:

MADISON, Ga., Aug 5, 1844.

TO C. F. HOFFMAN, Esq.:—Dear Sir:—As I have derived so much benefit from the use of Sands's SARSAPARILLA, I feel it a duty I owe to the community, to make the fact in my case public. I was afflicted for four years with running sores and fetid ulcers on my lower extremities, and also suffered severely from mercurial sores on other parts of my body, from the effect of blue pills and other mercurials. I tried remedy after remedy, but they all availed nothing, until I obtained a bottle of Sands's SARSAPARILLA, which I found benefited me very much. I continued its use until I had taken eight bottles, when I was perfectly cured. Judging from my own case, I have reason to believe Sands's SARSAPARILLA is the very best remedy for scrofula and mercurial sores; it entirely eradicates the poison from the system. After four years of almost continual suffering I now find myself a new man—entirely recovered. Yours respectfully, WILLIAM BANKS.

CLIREHUGH'S TRICOPHEROUS, OR MEDICATED COMPOUND, FOR THE CURE OF BALDNESS AND GRAY HAIR. THE TRICOPHEROUS, or Medicated Compound is now acknowledged by thousands, who use it daily, to be the only remedy to prevent Baldness, and to restore the hair that has fallen off or become thin; to prevent Gray Hair; to cure and remove every appearance of Scurf and Dandruff from the hair, and to keep it in the most healthy, soft, and glossy state.

BALDNESS. Gentlemen whose hair has become thin, or fallen off from natural decay, the effects of fever, or other disease, or what may be termed constitutional predisposition to baldness, will by the use of this compound have their hair entirely restored. If faithfully and regularly applied when the hair first shows symptoms of decay, or after it has fallen off—no matter from what cause, he confidently assures both ladies and gentlemen, that the hair will never be lost, but will be restored to its natural healthy vigor.

GRAY HAIR. At all ages the appearance of gray hair indicates a relaxed state of the nervous and blood vessels connected with the root. Numerous causes tend to influence the change of color—such as study, fright, fevers, long sickness, head aches, too great devotion to business, or the very common practice of wearing the hat within doors.—The progress of gray hair at all periods of life may, if attended to, be prevented, and those hairs that have prematurely changed may be again restored to their original color. To effect this end, it is recommended that at all times and seasons the head be kept cool, the hair cut rather short, the free use of the hair brush, evening and morning, and the application of this compound every evening for a short time will increase the activity of the skin, promote the circulation, and restore the nerves, blood-vessels, &c. to their healthy action. Persevere in this course, and the result is certain.

SCURF AND DANDRUFF. This compound is strongly recommended to keep the head entirely free of all Scurf and Dandruff. Nothing is more injurious to the growth or beauty of the hair, or to a healthy state of the skin. In all cases where the head is subject to it, or where it may have accumulated in the hair, one application will readily remove all appearance of it, and its occasional use will keep the hair clean, soft and glossy.
